

Reminders Dashboard

Last Modified on 04/01/2025 5:17 pm EDT

When using Updox Reminders with a connected EHR, you are probably reviewing appointment confirmation and cancellations in your existing calendar.

However if you aren't currently utilizing the Reminders Dashboard, you are missing out on some key benefits.

To access, click on Menu --> Reminders:

- Pick the time range of appointments and review the response column. A green check mark indicates a confirmed appointment, while a red 'X' indicates a cancelled appointment.
- Click on 'Response' to filter reminders that patients haven't answered. This will give you a condensed list of patients who may need an additional message through Updox Text or a phone call.
- If the patient reaches out to the practice via another method, a practice representative can confirm or cancel an appointment from this view.
- If the patient has invalid data for a reminder delivery method (such as phone number or email), you'll be able to see that on the Dashboard.
- To see an overall summary of overall performance of reminders, click on the 'Dashboard View' in the upper right hand corner, and switch the view to 'Reminder Summary'.

The screenshot shows the 'Reminders Dashboard' interface. At the top, there are navigation tabs: 'Dashboard' (selected), 'Reporting', 'Scripts', and 'Settings'. Below the tabs, there's a 'Dashboard View' dropdown menu currently set to 'Appointments/Reminders'. The main content area features a table with the following columns: Appointment Date, Appointment Type, Provider, Patient, Response, and Manual Action. The table contains three rows of data. On the left side of the dashboard, there are filters for 'Time range' (Date range), 'From' (01/31/2024), 'To' (02/10/2025), and 'Provider calendar'.

| Appointment Date | Appointment Type | Provider | Patient | Response | Manual Action |
|---------------------|------------------|--------------|---|-----------|----------------|
| 01/31/2024 12:00 PM | Blood Test | MARY POPPINS | Shiela Test H: (123) 456-7890 C: (987) 654-3210 email@updox.com | Confirmed | Confirm Cancel |
| 01/31/2024 1:30 PM | Telehealth Visit | MARY POPPINS | Shiela Test H: (123) 456-7890 C: (987) 654-3210 email@updox.com | Cancelled | Confirm Cancel |
| 02/21/2024 5:00 PM | Blood Test | MARY POPPINS | Shiela Test H: (123) 456-7890 C: (987) 654-3210 email@updox.com | Confirmed | Confirm Cancel |
