## Inbox Color Themes

You can now choose between a bold or a soft theme for your Inbox to help you see incoming items better! You can choose to use this new bold color theme or keep the current soft color theme in your Profile Settings.

## Advanced Fax Routing

**Edit Routing Rule** [X]

From Number:

To Number:

Destination: \*

Tag:

**Override Inbox Item Name:**

In Advanced Fax Routing, you can customize the title of your inbound faxes based on the to/from fax number. When the faxes hit your Inbox, they will automatically be renamed to your customized title!
